

CPYRGHT **Radio Europe Fund Elects Head**

The Radio Free Europe Fund yesterday elected Crawford H. Greenewalt as its chairman. He is also chairman of E. I. du Pont de Nemours & Co. The fund, formerly known as the Crusade for Freedom, supports through private contributions the broadcasts of Radio Free Europe to Communist areas of Eastern Europe.

In accepting the post, Mr. Greenewalt said:

"In bringing the truth to the 80,000,000 captive people in Poland, Hungary, Czechoslovakia, Rumania and Bulgaria, Radio Free Europe is helping them to resist Communist control and to maintain their national aspirations for eventual freedom."
